

Invitation to Bid For Neighborhood Stabilization Program Housing Rehabilitation

Pathways invites Virginia Licensed Construction Contractors with lead abatement designation to bid on housing rehabilitation for the Neighborhood Stabilization Program (NSP) Grant in the City of Petersburg. The service to be provided is rehabilitation of foreclosed residential properties. Construction contractors will be selected by sealed bid for each property in the grant's caseload. All candidates considered must be appropriately licensed by the Virginia DPOR. All Construction contractors must submit a completed Contractor Qualification Statement packet to be eligible to bid. Contractors chosen must be currently licensed in Virginia with a lead designation and must complete the Contractor Qualification Statement, posted at:

www.pathways-va.org/documents/cqs.pdf

All completed Contractor Qualification Statements must be received no later than Monday, March 22, 2010.

Statements may be submitted via Fax: (804) 862-1015, Email: mwatts@pathways-va.org or:
